

Township of Mapleton

Replacement of Structure PB011

RFT 2023-01

Project No.: 300054817

SEALED BIDS, on forms acquired from the R.J. Burnside & Associates Limited Bids and Tenders site.

<https://rjburnside.bidsandtenders.ca/Module/Tenders/en>

submitted in an opaque envelope, clearly marked as '**Township of Mapleton - Replacement of Structure PB011, RFT 2023-01**', with the name and address of the Bidder, will be received at the **Township of Mapleton Municipal Office, 7275 Sideroad 16, Drayton ON N0G 1P0** until:

2:00:00 p.m. local time, Tuesday, February 7, 2023.

The Work includes

- Installation of erosion and sediment control measures,
- Removal of an existing 6.1 m span (+/-) cast-in-place concrete rigid frame,
- Construction of a new 7.0 m precast concrete box culvert,
- Waterproofing and backfill of the precast concrete box culvert,
- Management of the watercourse during construction to allow the work to be completed in-the-dry,
- Approximately 40+/- metres of roadworks, including asphalt removal, excavation, granular placement, and regrading of the roadside embankment to achieve a stable embankment,
- Installation of precast modular block retaining walls and roadside protection,
- Restoration of the site upon completion of the Work.

Bid packages (tender document and drawings) are available digitally from R.J. Burnside & Associates Limited via Bids and Tenders, from the website above.

All Bidders shall have a Bidding System Vendor account and be registered as a Plan Taker for this Bid opportunity through Bids and Tenders, which will enable the Bidder to download the Bid Call Document, to receive Addenda email notifications and download all documents without the watermark "preview" on them.

In addition to other provisions in the Bid Documents, the lowest or any Bid will not necessarily be accepted.
