Rehabilitation of Bridge MB009

RFT 2022-01

Project No.: 300052816

Bidders shall submit an **Electronic Bid**, clearly marked as 'Rehabilitation of Bridge MB009, RFT 2022-01, with the name and address of the Bidder to the R.J. Burnside & Associates Limited Bids and Tenders site.

<https://rjburnside.bidsandtenders.ca/Module/Tenders/en>

The bids must be submitted before

2:00:00 p.m. local time, Tuesday, February 15, 2022.

- Rehabilitation of an existing 24.30 m span (+/-) cast-in-place concrete T-Beam bridge,
- Concrete removals and repairs to the deck top, bearing seat, abutment walls, curbs, and fascia,
- Concrete removals and repairs to substructure,
- Removal and replacement of existing concrete barriers,
- Construction of concrete end dam to facilitate semi-integral conversion,
- Installation of concrete overlay,
- Waterproof and pave bridge deck,
- Re-grade and pave roadway approaches,
- Installation of roadside protection, and
- Restoration of the site upon completion of the Work.

Bid packages (tender document and drawings) are available on Thursday, January 27, 2022, digitally from R.J. Burnside & Associates Limited via Bids and Tenders, from the website above.

All bids must be submitted electronically and all Bidders shall have a Bidding System Vendor account and be registered as a Plan Taker for this Bid opportunity through Bids and Tenders, which will enable the Bidder to download the Bid Call Document, to receive Addenda email notifications and download all documents without the watermark "preview" on them. It is recommended that sufficient time be given to complete your Bid Submission and to resolve any issues that may arise. The closing time and date shall be determined by the Bidding System's web clock.

In addition to other provisions in the Bid Documents, the lowest or any Bid will not necessarily be accepted.
