

Recreational Camps Operating Handbook

WELCOME to Mapleton Camp!

We are a Recreation Program operated by the Township of Mapleton. We are registered with HIGH FIVE and all staff are trained in Principles of Healthy Childhood Development. We offer quality recreational programming through our Recreation Department. We are looking forward to a fantastic camp program as we continue to offer PA, Christmas, March Break and Summer Camps!

Arriving at Day Camp

All participants are asked to register for camp.

Once you arrive at camp you will need to call or text the program staff to let them know you have arrived. *Please call or text the program coordinator at **519-580-7710**.*

One of our staff members will greet you outside the main doors. They will meet campers as they arrive and sign them into program. Campers will be asked to wash or sanitize their hands before they enter the program area.

All visitors at the day camp area will be noted in the daily record. Only those deemed necessary will be permitted into the day camp area. These records will be maintained for a minimum of 30 days.

Anyone entering the facility will be asked to sanitize or wash their hands. Portable hand sanitizer will be kept out of reach of children. All sanitizers will be alcohol based containing 60-90% alcohol.

Leaving Day Camp

All campers will be released to someone 18 years of age or older. Only those listed on the registration forms will be allowed access to pick up a child. If you would like your child to be dismissed from camp on their own at 4pm you must provide this request in writing to the Camp Coordinator or Manager of Recreation. This request will not be approved for children under the age of 10.

*When you arrive to pick up your child, please call or text camp staff at **519-580-7710***

Pick-up will occur outside or in the front vestibule areas of Moorefield Community Centre (MCC) entrances. Campers and anyone leaving the day camp area will be signed out of camp and departure times will be recorded. These records will be maintained for a minimum of 30 days.

Anyone leaving the facility will be asked to sanitize or wash their hands. Portable hand sanitizer will be kept out of reach of children.

Our Amazing Camp Staff

Our staff is chosen based on their experience, creativity, and enthusiasm to work with children. Staff are required to be certified in Standard First Aid with level A CPR & AED training. They also complete HIGH FIVE training and certification prior to the beginning of camp.

*HIGH FIVE is Canada's only comprehensive quality standard for children's sport and recreation, an evidence-based approach to healthy child development.

There are 2-3 full-time camp staff with each cohort. This consists of 1 Camp Site Leader and 1 or 2 additional Camp Staff. Each cohort is assigned staff members as required. Staff will remain with their cohorts as much as possible for the entire week.

Our Summer Camp Leaders are supported by a Camp Coordinator, the Manager of Recreation and assisted by our Volunteer Leaders in Training

CHILD GUIDANCE AND COACHING POLICY

Please review our Child Guidance and Coaching Policy. Everyone at camp will be expected to follow these guidelines. By enrolling your child for Camp, you have read and agreed this policy.

Staff are to be knowledgeable and understand the requirements of their position. All Staff will build positive relationships with the children in their program and will provide consistent expectations and proper supervision to ensure that problems/situations can be avoided. In the case where a situation cannot be avoided, Staff are expected to complete the Child Guidance and Coaching Log Sheet (Appendix E).

POLICY STATEMENT

Staff will practice and promote a healthy, positive atmosphere within the Program. Staff will provide children with consistent expectations and proper supervision to minimize the number of problems/situations that may occur within the program. Acceptance and a good sense of humour is an important part of building strong relationships with the children, while continuing to enforce the rules and provide support by guiding or coaching the children when problems/situations may arise. All staff will communicate clearly with parents/guardians regarding a child's day. Staff will professionally and politely outline any potential challenges that may have occurred throughout the day and work alongside parents/guardians to establish a plan.

PURPOSE

This policy is put in place to ensure that the children attending the program are following the rules set in place to keep all individuals in the program safe and enjoying their time. The policy is here to help staff collaboratively work with parents. The policy outlines action plan for children who may need individualized support plans.

PROCEDURE

- Problem solves with the children as disagreements/situations happen. Identify the problem and brainstorm with the children on possible solutions to the problem in the future. Follow through with solutions and re-evaluate if necessary.
- Document the situation on the Child Guidance and Coaching Log Sheet (Appendix E)
- Always ensure proper supervision of the program. Many problems/situations can be prevented with proper observations. Develop an ability to see or know what is always going on in the program. Use redirection before the situation escalates into a problem.
- Use logical and natural consequences to problems.
- Set age-appropriate limits.
- Acceptance of each child must be sincere and unconditional. Respect all children's feelings. Teach them that it is not wrong to feel angry or frustrated but there are socially acceptable ways of displaying these feelings. It is the staff's role to support these children in exploring appropriate ways to express anger as well as their other feelings.
- Use positive reinforcement in a sincere manner.
- Provide the children with choices, whenever possible.

- Make use of a “cooling off” period or a “sensory break” if applicable. Provide the child with a quiet activity (book or sensory item) until the child feels in control of their emotions and can return to the group activity. It is up to the child to identify when they are ready to rejoin the group.
- Consistency is key.
- Maintain professional record of occurrences which need to be communicated with parents/guardians.
- Ensure open communication with parent/guardian regarding child’s behavior.
- Be professional, honest, and clear when speaking with parents/guardians.
- Ensure that parents/guardians are informed about BOTH positive and negative behaviors that occurred throughout the day.
- Work alongside parents/guardians to meet the needs of the child and to develop a plan together.

THREE STRIKE POLICY

The Mapleton Camp Programs will use a three-strike policy. If any participant behaves in a way which compromises our ability to promote a healthy, safe and secure environment, the following disciplinary procedures will be followed.

First Offence: Warning. The participant is told what is wrong with their behaviour and not to engage in such actions again.

Second Offence: Warning and loss of privilege. The Participant is told what is wrong with their behaviour and is asked to sit out for a period of time.

Third Offence: Immediate dismissal. The participant is told what is wrong with their behaviour, the parent/guardian is contacted and will be required to immediately pick-up the participant from program. The participant will be allowed to return the following day.

The following behaviors are not acceptable and may result in the immediate and indefinite removal of a Program participant:

- Using threatening language, or threaten participants, staff or volunteers.
- Behaviors that endanger the health and safety of children, staff and volunteers.
- Stealing or damaging the property or facility.
- Leaving the Program without permission.
- Continuous disruption of the program with consistent disrespect.
- Refusing to follow the Mapleton Code of Conduct and/or Program rules.
- Acting in a lewd manner.

Inflicting intentional physical harm towards another child will result in immediate dismissal from program with no warning. This includes such things as hitting, kicking, biting, punching, slapping, etc.

If a participant is dismissed from Program two days in one week, the participant will not be allowed to return the remaining days of that week and no money will be returned to the parent/guardian.

All incidents requiring a warning will be documented and parents will be informed at the end of the day or at immediate dismissal following the third offence.

Each day starts with a clean slate, the warnings issued the previous day are erased.

Children who are asked to leave the Program, or whose illness prohibits participation must be picked up within 60 minutes of notification. The Township of Mapleton reserves the right to modify, repeat, accelerate steps, or not use the outlined processes as the situation demands.

No Refunds will be issued for children who are asked to leave the Program.

COVID-19 Screening

Before registering or arriving for program, please ensure that the following is accurate:

1. I am not experiencing any symptom of illness such as cough, shortness of breath or difficulty breathing, fever, chills, muscle pain, headache, sore throat, or new loss of taste or smell
2. I have not travelled to a highly impacted area in the last 14 days
3. I do not believe I have been exposed to someone with a suspected and/or confirmed case of COVID-19
4. I have not been diagnosed with COVID-19 and not yet cleared as non-contagious by local public health authorities.
5. I am following recommended health guidelines as much as possible to limit my exposure to COVID-19

Staff must complete the Ministry of Health COVID-19 screening tool for employees and essential visitors in school and childcare settings daily prior to commencing work. Staff will also be required to take their temperature and recorded in the daily logbook.

Parents are asked to complete the Ministry of Health COVID-19 school and childcare screening prior to sending their children to Camp. This can be found online at <https://covid-19.ontario.ca/school-screening/> You do not need to bring proof of screening to camp. Camp Program staff will conduct secondary screening by reviewing the questions found on the screening questionnaire. Staff will also take and record temperatures of all participants as they arrive.

Camp and COVID-19

Mapleton's Camp Programs will adhere to all COVID-19 Health Guidelines. These include guidelines set out by the Province of Ontario, the Ministry of Education and the Wellington-Dufferin-Guelph Public Health Unit.

The novel Coronavirus (COVID-19) has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, provincial, and municipal governments and health agencies continue to recommend the practice of social distancing.

While the Township of Mapleton has put in place preventative measures to reduce the spread of COVID-19, the Township cannot guarantee that you and/or your child(ren) will not become infected with COVID-19. Further, attending the day camp could increase your risk and your child(ren)'s risk of contracting COVID-19.

We will work hard to reduce the spread of COVID-19. Each cohort will use their own equipment, no sharing amongst cohorts. Cohorts will use separate washrooms as designated by space being used. Floor markings will be used to promote safe physical distancing. No trips are planned for this summer. No group snacks will be provided, but a snack bin will be made available if needed. Playgrounds may be used if open. Water fountains are not to be used, participant water bottles to be refilled by staff if needed. Maximum number of people inside the facility at any time including staff are not to exceed Provincial and Public Health guidelines.

If you have any questions or concerns regarding camp, please reach out to the Manager of Recreation Amy Grose by email at agrose@mapleton.ca or by phone at 519-638-3313 x 037.
