## TOWNSHIP OF MAPLETON

### Drayton Rotary Pays back \$80,000 in first year of 5-year commitment for Drayton Rotary Park

In October 2021, the Drayton Rotary Club came before the Township of Mapleton Council with a Joint Proposal to create a new park in Drayton at the end of Drayton Queen St. This Joint Proposal involved the Township of Mapleton financing the project up front and the Drayton Rotary Club paying the Township back over 5 years. This project was well received by council and Drayton Rotary got to work on fundraising for the new park. On July 16<sup>th</sup>, 2022, the Rotary club of Drayton was excited to officially open the new Drayton Rotary Park in conjunction with 75<sup>th</sup> anniversary celebrations.

The Township of Mapleton and the Rotary Club of Drayton are excited to announce that through amazing community support, Drayton Rotary has raised and paid off \$80,000 of the Drayton Rotary Park Project, with the remaining \$20,000 coming over the next four years with the long 5-year commitment from a local business.

We would like to extend our deepest thanks to our amazing community businesses who came together to support the Drayton Rotary in creating a beautiful new park.

The Drayton Rotary Club is excited to move into their next round of fundraising for the park to include a lookout, sunshades, signage, and other park necessities. If you would like to support the Drayton Rotary Park and their continuous fundraising efforts reach out to Drayton Rotary President Bob Bignell at [draytonrotaryclub@gmail.com](mailto:draytonrotaryclub@gmail.com) or 519-741-7595.
