

NOTICE OF HYDRANT FLUSHING for DRAYTON WATER SYSTEM

**Wednesday, October 20, 2021
to
Friday, October 22, 2021**

Some residents may experience brown water during or after the flushing occurs. Residents are asked to flush their cold water taps until the water clears up, as well as clean the aerators on the end of their faucets.

The water is safe to drink.

For assistance or questions, please contact Ontario Clean Water Agency at 519-321-9474 or 519-323-7136.
