RE: MTM-2 Contracting Inc.
Request for Noise By-law Exemption, July 7 – July 24, 2020

DATE: July 14, 2020

RECOMMENDATION:

THAT Township of Mapleton Council receive the MTM-2 Contracting Inc. Noise Exemption Request for the Conestogo Dam Downstream Rehabilitation – Phase 2A for lands located at 6580 Wellington County Road 11, Conestogo Lake. NOW THEREFORE Township of Mapleton Council approve the noise exemption request of 5 a.m. beginning July 15, 2020, until July 24, 2020.

BACKGROUND:

Due to extreme hot weather, MTM-2, Consultant for Grand River Conservation Authority is requesting permission for construction crews to start work earlier in the mornings. The development is described as Conestogo Dam Downstream Rehabilitation – Phase 2A. During period of July 7, 2020 to July 24, 2020, the workers will finish earlier in the day (3:30 p.m.). Noise will be related to equipment used for chipping concrete and other necessary construction activities. In conversation with the GRCA contact this chipping will be occasional and only if needed during the early hours.

Consultation with Director of Public Works and Chief Building Official concluded there is no need for third-party liability insurance, or neighbour notification, as this is GRCA lands. Wellington County OPP and other applicable agencies will be advised of the exemption.
