

**TOWNSHIP OF MAPLETON  
PARKS AND RECREATION COMMITTEE  
TERMS OF REFERENCE**

The Parks and Recreation Committee shall review and advise Council on:

- policies relating to the operation and maintenance of all park and recreational properties within the Township, including recommendations for acquiring and developing parkland and community recreation facilities;
- policies relating to recreation programs and planning for all age groups, both male and female;
- the need for special Ad Hoc Committees from time to time to assist with special events or projects
- annual rates and fees for services provided
- community issues and concerns pertaining to parks and recreation services

The committee shall meet in the months of February, April, June, August, October and December of each year, unless otherwise approved by Council.

The Director of Public Works may designate another employee of the Township to represent the Township at a meeting of Parks, Culture and Recreation.
